COUNCIL OF THE ISLES OF SCILLY

Assisted Collections Policy

This document outlines the policy for Isles of Scilly residents who may need assistance in presenting their waste/recycling containers for collection.

1. What is an Assisted Collection?

An Assisted Collection is available to residents who are unable to transport their waste/recycling to the boundary of their property or kerbside for collection. We are also able to assist with the collection of small electrical goods (this must be arranged in advanced).

Following a visit to your property by the Council to undertake a risk assessment of the collection point and access to the collection point, and confirmation that you are eligible for an assisted collection, the waste and recycling operatives will collect the waste/recycling from the agreed collection point.

Please note: Waste and recycling operatives are not permitted to collect waste/recycling from inside properties, outbuildings, sheds or garages. Collection from the rear of your property will not be possible if there is no direct access to the highway.

Eligible households will receive assistance for all of the regular household waste and recycling collections.

2. Eligibility Criteria

Assistance is available to any resident where there are no other occupants in the household aged 16 years or over who are physically able to assist in transporting the waste/recycling to the boundary of the property or kerbside for collection. You must meet at least one of the following criteria to be eligible for an assisted collection:

- You are aged 75 or over
- You suffer with a short, or long-term mobility issue
- You are registered with a disability

3. Application Process

New requests for assistance:

If you believe that you meet the eligibility criteria above, you can request an assisted collection by completing the attached form.

You will not be added to the list of assisted collections until after your eligibility has been assessed and a risk assessment of the collection point and access to the collection point has been carried out. An officer or member of the collection team may visit in order to do this.

We will notify you of our decision within 10 working days of the date of the assessment. Please note that we reserve the right to monitor your eligibility for this service and may contact you about this at any time.

4. Renewing and cancelling assistance

Once you are added to the list of assisted collections, we will contact you every year to ask you to confirm that you still meet the eligibility criteria for the service – details of how to do this will be in the letter.

You should inform us as soon as possible if your circumstances change and you are no longer eligible for an assisted collection, or you no longer require one. (This is important if your condition was temporary and has now improved).

5. Conditions related to our assessment

The council will assess each application individually but reserves the right to refuse or withdraw the service at any time if any of the following apply:

- **The application does not meet our eligibility criteria.** We reserve the right to request proof of eligibility, for example, a medical certificate, in order to ensure your eligibility.
- **Significant operational difficulties, including health and safety issues, or unreasonable expense will be incurred.** However, the council will investigate all practical solutions before refusing or withdrawing assistance.
- **We identify that your circumstances have changed.** If you or your property no longer meet our eligibility requirements, the service will be withdrawn.

6. Appeal Process

Should you wish to appeal against our decision to refuse an assisted collection then you may do so within 10 working days of being informed of the decision. This can be done by email to zerowaste@scilly.gov.uk or by letter to

**Environment Services,
Waste & Recycling,
Porthmellon Enterprise
Centre,
St Marys,
Isles of Scilly,
TR21 0JY.**

You should fully state the reason for the appeal, making direct reference to the eligibility criteria and providing suitable evidence to support your entitlement.
