UNLOCK YOUR POTENTIAL

Multiply is a new FREE fully-funded programme to help adults across the UK to improve their numeracy skills.

If you're aged 19 and over you can access free numeracy courses through Multiply to build your confidence with numbers

Who is Multiply For?

Parents

Whether you want to support your child with their maths homework, or help your toddler to recognise shapes, the Multiply Project aims to refresh your maths skills and provide strategies to help you support your children, whatever their age.

Job / Career Progression

We can signpost you to confidence and skills boosting courses for anyone who needs to gain a formal maths qualification. Refresh your maths with Multiply and explore various maths methods to support you on your journey as you progress towards a qualification.

Confidence

Multiply courses are designed to build your confidence in everyday maths situations. The Multiply programme aims to help people improve their ability to understand and use maths in daily life, home, and work.

Employers

We can work in collaboration with employers to signpost you to bespoke numeracy programmes to ensure employees are equipped with the knowledge and skills needed to complete their daily duties effectively.

HOW TO APPLY

Please email learnsilly@scilly.gov.uk or call 01720 424444 and we can signpost you to the most appropriate option for your circumstances
