

Financial Support to Isles of Scilly Care Providers in Response to Covid-19 as of 29th May 2020

- The Council of the Isles of Scilly directly provides the majority of residential care and domiciliary care to eligible residents via Park House Care Home
- The new infection control funding will be allocated to Park House and will enable the provider
 - To meet staff wages if they are self-isolating
 - To increase staff so they are limited to working with one group of residents/floor/wing as required
 - To meet recruitment costs of staff to ensure there is sufficient capacity
 - To provide accommodation for staff who are living apart from their families to reduce social interaction outside work if required
 - To provide additional deep cleaning capacity
 - To meet requirements for PPE

The amount paid to providers on the Isles of Scilly so far is illustrated below:

	Domiciliary care	Residential care	Other provision	Total spent* so far on supporting providers that Isles of Scilly has contracts with in response to COVID-19
Support being offered	£6739	£20,217	£0	

*Total spent means funding or support has already reached providers.
