

Traffic & Parking Consultation

In 2014, the 'primrose' lines were reinstated on areas of highway where there were existing Traffic Orders and parking bays were marked out in some key areas. We also took the opportunity to introduce a safety zone outside of the Five Islands School, reinstate or introduce new white lines at junctions and delineate lanes at key areas of highway (including the pedestrian lane at Old Town Bay).

We would like to know if the community thinks that the scheme has been successful and to hear about any suggestions for improvements and/or additions to the scheme for any areas of St Marys highway.

Once completed, this form can be returned electronically to infrastructure@scilly.gov.uk or hard copy by hand or post to: *Infrastructure Department, Council of the Isles of Scilly, Town Hall, St Marys, Isles of Scilly, TR21 0LW. This consultation closes on the 24th July 2015.*

If you would like us to respond to feedback or queries, please include your name and contact details. We will ONLY use these details to respond to you on this matter. The feedback received will be used in publicly available documents, such as committee reports and publicity materials, but we will ensure that individuals cannot be identified.

NAME:

CONTACT DETAILS:

1. a) Are you a resident, business owner and/or visitor?

b) Do you, your family or business own/use a vehicle or bike? *Eg Car/bike/van/moped/tractor etc*

c) Where do you live? *Eg Off-island/Hugh Town/Old Town/mainland etc*

2. Are there any modifications you would suggest to the existing traffic and parking restrictions and markings? (Please describe these)

3. Are there any areas where you think new parking restrictions would improve traffic management and safety? And if so, what would those restrictions be?

4. Do you have any other suggestions that could help reduce the volume and improve safety of traffic on the roads?

If you need more room for your response, please use a blank piece of paper and attach it to this sheet, clearly indicating the question to which the response relates. We have also included a map of St Marys on the back of this sheet for you to indicate specific areas if necessary.

These maps can be used to mark specific areas you wish to refer to. Please feel free to attach any other map or drawing to your response if necessary.
