

NOTES

Do not scale from this drawing unless for planning purposes. Figure dimensions only are to be used. All dimensions must be checked on site by the Contractor prior to the commencement of any fabrication or erection of steelwork. In the event of any discrepancy between drawings and site conditions, the Contractor shall refer to the drawings and site conditions and shall be responsible for any discrepancy between drawings and site conditions. In the event of any discrepancy between drawings and site conditions, the Contractor shall refer to the drawings and site conditions and shall be responsible for any discrepancy between drawings and site conditions. In the event of any discrepancy between drawings and site conditions, the Contractor shall refer to the drawings and site conditions and shall be responsible for any discrepancy between drawings and site conditions.
