Date: 5th March 2014

Dear Craig

P-14-004 Proposed Batching Pant Site, Parting Carn Lane, Parting Carn, St Mary's
Temporary use of agricultural land for use as a mobile batching plant and construction compound with temporary residential accommodation for works associated with the upgrade of St Mary's Airport

Written Scheme of Investigation (WSI)/Method Statement Response:

Isles of Scilly, St Mary's Airport Proposed Batching Plant Site Written Scheme of Investigation March 2014.

Regarding the above document supplied by Nick Finch of URS; we find it to be an acceptable approach to the required works and recommend its approval by the Local Planning Authority.

Please note that any archaeological condition relating to this planning permission will only be satisfied on implementation of this work, and that we recommend that you do not discharge any archaeological condition until advised to do so by ourselves.

I hope this is of assistance, please do contact me if anything is unclear or further discussion is required.

Yours sincerely
