PLANNING APPLICATION REPRESENTATION (RECEIVED VIA COUNCIL'S WEBSITE)

Name:	Lynne Ducker
Address:	Riduna, Hugh Street, St Mary's, IOS
Date Received:	30/06/2014
Application:	P/14/031/FUL – Porthcressa Flats, Porthcressa Road, St Mary's
Representation:	My mother has received the letter dated 26th June regarding the proposed development at Porthcressa. Please could you let us know if there will be any impact on the three garages my mother owns as it is not clear from the plans. Many thanks
Planning Department Response:	<i>02/07/2014 - I have been in touch with the applicant who has confirmed that the repair, rendering and painting of the concrete structure will extend to the exterior of the garages at ground floor level but none of the proposed works extend to the garage doors or their interiors. The application indicates that scaffolding would be required to carry out the works so it may be worth contacting the applicant (Diana Mompoloki) directly in order to establish the level of disruption, if any, that this may cause.</i>
