PLANNING APPLICATION REPRESENTATION (RECEIVED VIA COUNCIL'S WEBSITE)

Name:	Mr & Mrs de Boos
Address:	The White House, Sandfield Lane Eccles Norwich Norfolk NR16 2PB
Email:	<i>Email address provided</i>
Date Received:	27/10/2014
Application:	P/14/048/FUL – Flat 1, Two Ways, Rams Valley, St Mary's
Representation:	<p>As owners of Flats 2 and 3 at Two Ways, Rams Valley, some time ago, we were refused permission to replace our windows with uPVC and subsequently had the timber frames refurbished. Whilst there is no doubt that the windows of flat 1 need replacing and have done for some considerable time, it will mean that some of the windows will be timber framed and the others will be plastic. We question whether uPVC will actually match timber frames. Otherwise we have no objections as new windows can only improve the appearance of the property.</p> <p><i>Amendment submitted 27/10/2014:</i></p> <p>I refer to our comment submitted 26/10/14 and wish to correct a point we made - when we were thinking about replacing the windows in our flat at 2 Ways we asked the council for advice on upvc - the advice was that 'uPVC... is not acceptable' so we did not proceed with a planning application; we instead had the window frames replaced/repared. (Your letter dated 23 December 2009 from Craig Dryden refers). Apologies for any incorrect inference.</p>
