Hello Lisa,

Re: Replacement Sash Windows - Flat 1, Two Ways Rams Valley (P/14/048)

Please find attached drawings of the x3 white uPVC sash windows. These drawings show the size of the windows, the opening, the movement, size of each sash and split of the window.

I have also attached our uPVC sash window specification leaflet that contains profile drawings and dimensions for the window.

If you require anything further please do not hesitate to contact me.

Kind Regards

Donna
