To Whom it may concern

As a former employee + neighbour I can confirm that
in 2001/2 the Property changed from Guest House to
Self Catering after the extension was built, due to the
age + capability of the Proprietor.

yours Sincerely.

Sir,

As a neighbour of Glenmoor Cottage, please may I make the point that, until 2001, the Cottage was used as a Guest House. Since that date 'til now, 2001 - 2014, it has been run as a self catering unit.

Yours

To whom it may concern:

I am writing to state that I have worked at the above address since 1996 when it was a guest house. In 2001 the accommodation converted to self-catering which has continued to the present.
