Hi Lisa,

Dear Lisa,

This site lies within the area archaeologically monitored in advance of the airport batching plant consented under P/14/004/FUL. As such the ground can be considered to have been archaeologically sterilised by the earlier development and no further works are required.

Many thanks for your consultation.

Dan

**Subject:** P/15/016/FUL Temporary use of land at Parting Carn Lane, St Mary's Isles of Scilly

Good Afternoon,

We are consulting with the Historic Environment Lead at Cornwall Council on the following application:

P/15/016/FUL Proposed extension of batching plant site for siting of temporary sleeping cabins in connection with the Quay extension and widening project

Parting Carn Lane, Parting Carn, St Marys

Reason for consultation: Potential impact upon archaeology and the historic environment
