Subject: Planning Application on Bryher

Dear Sir/Madam

Ref: P/15/046/FUL

I am writing in support of the planning application for the development of the small informal dwelling at South Hill on Bryher,

As you may be aware we will no longer be running Samson Hill Cottage as a B&B. This has caused some concern to our regular guests who are hoping to continue their annual holidays on Bryher. I feel this application will greatly help them.

The development will have little impact on neighbours and can only be a good thing for the island who so desperately need tourists to support businesses.

It is also positive to have a permanent family living at South Hill. This application will enable them to do so if passed.

Yours Sincerely

Isobel and Gareth Tibbs
