Environmental Health Response

Our Ref: 15/00158/PLENQ

Planning Ref: P/15/054/FUL

The proposed reconfiguration of the rear warehouse building and the installation of a new refrigeration plant unit raises no immediate concerns. However, the accompanying acoustic assessment report omitted a receptor, a second storey residential property located just behind Barclays Bank, Hugh Street. This receptor is located approximately 10m from the proposed plant location.

Statutory nuisance

The granting of this planning permission does not in any way indemnify against statutory nuisance action being taken should substantiated complaints within the remit of the Environmental Protection Act 1990 be received.
