Subject: FW: P/15/062/FUL: South Tinks, Holy Vale, St Mary's

Dear Andrew,

Thanks for your consultation on this case.

Groundworks on the site of the footprint of the proposed development were archaeologically monitored by Katherine Sawyer in 2010 on behalf of the current applicants. This showed an area of disturbed ground with no archaeological features present.

As a result no further monitoring in connection with the proposed development would be advised.

Thanks

Daniel
