2nd September 2015

Dear Sirs,

Planning Applications P/15/066, P/15/067/ P15/068
Men-a-Vaur, Church Road, St. Mary's, Isles of Scilly.

On behalf of the Standing Committee of the Parochial Church Council I write to object to the above planning applications.

We are concerned at the increase in late night noise that will inevitably result from the development of two new blocks adding an additional 21 rooms and the development of Men-a-Vaur. We are aware that the current Chaplain has been disturbed by the noise from late night parties held at Men-a-Vaur over the last few years.

The property is in a built up residential area and the proposed development will affect many people living in the vicinity.

Please ensure that our objection is taken into consideration by the Planning Committee at their meeting.

Yours faithfully,

G.M. Lowen (Mrs.)
Hon. Secretary
