**Further Information**

- 1 In dealing with this application, the Council of the Isles of Scilly has actively sought to work with the applicants in a positive and proactive manner, in accordance with paragraphs 186 and 187 of the NPPF.
- 2 In accordance with the Town and Country Planning (fees for Application and Deemed Applications) (Amendment) (England) Regulations 2008 a fee is payable to discharge any condition(s) on this planning permission. The fee is £28 for each request to discharge conditions(s) where the planning permission relates to a householder development (domestic extension/alteration or outbuilding etc). The fee is payable for each individual request made to the Local Planning Authority.
- 3 In accordance with the provisions of Section 96A of the Town and Country Planning Act which came into force on 1st October 2009, any amendments to the approved plans will require either a formal application for a non-material amendment (for which a fee of £28 would be required) or the submission of a full planning application for a revised scheme. If the proposal relates to a Listed Building you will not be able to apply for a non-material amendment and a new application for a revised scheme will be required. Please discuss any proposed amendments with the Planning Officer.
- 4 The Applicant is reminded of the provisions of the Wildlife and Countryside Act 1981 and the E.C. Conservation (Natural Habitats) Regulations Act 1994, the Habitat and Species Regulations 2012 and our Natural and Environment and Rural Communities biodiversity duty. This planning permission does not absolve the applicant from complying with the relevant law protecting species, including obtaining and complying with the terms and conditions of any licences required, as described in part IV B of Circular 06/2005. Care should be taken during the work and if bats are discovered, they should not be handled, work must stop immediately and a bat warden contacted.

Extra care should be taken during the work, especially when alterations are carried out to buildings if fascia boards are removed as roosting bats could be found in these areas. If bats are found to be present during work, they must not be handled. Work must stop immediately and advice sought from licensed bat wardens in the first instance (R. Williams 01720 424315, M. And A. Gurr 01720 422224) or Natural England (01872 245045). Or, if none is available, The Bat Conservation Trust's

National Bat Helpline on 0845 1300 228.
