Subject: RE: P/16/048: Cricket Shed, Pool Green, Higher Town, St Martins

Thank you for consulting with the AONB Partnership on this proposed development.

There are no specific comments from the AONB Partnership on this development. However it is noted that the proposed building is considerably larger than the building it replaces. It appears that the proposed building is not oversized for its intended use, perhaps reflecting the limited functionality of the existing building as a facility.

Best Regards

For and On Behalf of the AONB Partnership

Julian
