Your Address:

Rams Valley

St Mary's

Representation:

I strongly object to the planning application to change Treboeth into staff accommodation for Tregarthens Hotel.

Surely the hotel has to be accountable for their staff and they certainly cannot do this if they are housed across the other side of town.

Buzza is a quiet residential area of the island where several elderly people live. They do not want the upset of late night noise which will happen if it is staff accommodation
