Dear Lisa,

**Re Warleggan Flats , Church Road , St. Mary's, Isles of Scilly**  
**Existing Use as 8 Flats – Conversion of a 3 bedroomed flat into one**  
**two bedroomed flat ( Firebrand ) and one , one bedroomed flat (Phoenix)**

Following our meeting of 12<sup>th</sup> Aug , I enclose an application for Lawful Use of two of the above flats which were converted from one flat in 1988.

In order to prove this change of use took place over 10 years ago, I enclose plans produced in 1990 showing the layouts of the flats at that time and a later planning application made in 2001 which also shows the layout of these two flats . As this application P5072 was approved , I hope this will be enough evidence of their use.

If you need any more evidence, please let me know ,

Yours Sincerely ,

T.J.Hiron
