Dear Mrs Walton:

I wish to register my support for the planning application which has been made by my close neighbours Adam and Georgia May in relation to their property Roanoke.

Mr & Mrs May have been considerate enough to keep me informed of their proposed plans and now that I have seen the submission I am more than happy to support their alterations.

It is clear that they intend to live permanently on St. Mary's and it is also clear that with their growing family the extra space that this attractive design would allow them would be of great benefit.

I really like the front elevation which, in my opinion, really breaks up the rather bland look of the existing properties.

Good luck to them.

Yours faithfully ,

Bob & Tina Hayes
