

management of waste, to be submitted and agreed by the Local Planning Authority. This is to ensure those characteristics which contribute to the status of the Isles of Scilly as a Conservation Area, Area of Outstanding Natural Beauty and Heritage Coast are not eroded by uncontrolled mineral extraction or the tipping of waste. In accordance with the requirements of Policy 1 of the Isles of Scilly Local Plan 2005

PRE-COMMENCEMENT CONDITION – Submission of a Written Scheme of Investigation

- C4 No demolition/development shall take place/commence until a programme of archaeological work including a Written Scheme of Investigation has been submitted to and approved by the local planning authority in writing. The scheme shall include an assessment of significance and research questions, and:**
- 1. The programme and methodology of site investigation and recording,**
 - 2. The programme for post investigation assessment,**
 - 3. Provision to be made for analysis of the site investigation and recording,**
 - 4. Provision to be made for publication and dissemination of the analysis and records of the site investigation,**
 - 5. Provision to be made for archive deposition of the analysis and records of the site investigation; and**
 - 6. Nomination of a competent person or persons/organisation to undertake the works set out within the Written Scheme of Investigation.**

The development/demolition shall accord with the approved Written Scheme of Investigation thereafter.

Reason: To ensure the site has provision for full recording of its archaeological potential.

- C5 Prior to first use of the building or first occupation (whichever is sooner), the site investigation and post investigation assessment must be completed in accordance with the programme set out in the Written Scheme of Investigation approved under condition 4 and the provision made for analysis, publication and dissemination of results and archive deposition has been secured, unless otherwise agreed in writing by the Local Planning Authority.**

Reason: To ensure the site has provision for full recording of its archaeological potential.

PRE-COMMENCEMENT CONDITION – Submission of a Detailed Landscaping Scheme

- C6 Before development starts; the following shall be submitted to and approved in writing by the Local Planning Authority:**
- 1. A scheme of landscaping, which shall include indications of all existing trees and hedgerows on the land,**
 - 2. The details of any trees and hedgerows to be retained, together with measures for their protection during development,**
 - 3. A schedule of proposed plant species, size and density and planting locations and**
 - 4. An implementation programme.**

Reason: This is a pre-commencement condition that requires the submission of details to ensure the site is reasonably landscaped, in the interests of the appearance of the area and in accordance with Policy 1 of the Isles of Scilly Local Plan 2005.

- C7 All planting, seeding or turfing in the approved scheme of landscaping shall be carried out in the first planting and seeding season following the occupation of the buildings or the completion of the development, whichever is the sooner. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.**

Reason: In the interest of the appearance of the area and in accordance with Policy 1 of the Isles of Scilly Local Plan 2005

Further Information

1. In dealing with this application, the Council of the Isles of Scilly has actively sought to work with the applicants in a positive and proactive manner, in accordance with paragraphs 186 and 187 of the NPPF.
2. In accordance with the Town and Country Planning (fees for Application and Deemed Applications) (Amendment) (England) Regulations 2008 a fee is payable to discharge any condition(s) on this planning permission. The fee is £97 for each request to discharge condition(s). The fee is payable for each individual request made to the Local Planning Authority.
3. In accordance with the provisions of Section 96A of the Town and Country Planning Act which came into force on 1st October 2009, any amendments to the approved plans will require either a formal application for a non-material amendment (for which a fee of £195 would be required) or the submission of a full planning application for a revised scheme. If the proposal relates to a Listed Building you will not be able to apply for a non-material amendment and a new application for a revised scheme will be required. Please discuss any proposed amendments with the Planning Officer.
4. The Applicant is reminded of the provisions of the Wildlife and Countryside Act 1981 and the E.C. Conservation (Natural Habitats) Regulations Act 1994, the Habitat and Species Regulations 2012 and our Natural and Environment and Rural Communities biodiversity duty. This planning permission does not absolve the applicant from complying with the relevant law protecting species, including obtaining and complying with the terms and conditions of any licences required, as described in part IV B of Circular 06/2005. Care should be taken during the work and if bats are discovered, they should not be handled, work must stop immediately and a bat warden contacted.
Extra care should be taken during the work, especially when alterations are carried out to buildings if fascia

boards are removed as roosting bats could be found in these areas. If bats are found to be present during work, they must not be handled. Work must stop immediately and advice sought from licensed bat wardens in the first instance (R. Williams 01720 424315, M. And A. Gurr 01720 422224) or Natural England (01872 245045). Or, if none is available, The Bat Conservation Trust's National Bat Helpline on 0845 1300 228.
