Dear Ms Walton

First may I say how disappointed I am to see these amendments to the proposed extension to Roanoke at such a late date, almost impossible for anyone to comment. Not only that, I am very surprised that you have accepted them as they look no more than sketches, not plans - there are no measurements or comments so no-one can tell exactly what the "plans" are representing.

Whatever the new proposals are, I cannot tell, I am still objecting on the grounds of my previous letters

Yours sincerely
Sheila Thomas
