Planning for Eva Hairdressings.
To Park Cafe.

My concerns are about Bikes and
other vehicles been Park there.

As one of Co-op Van drivers
I have got to drive past this building
to get the delivery out and bring bread
up from the Quay at time now I am having
a hard time to turn the Van around with
vehicles parking there. The odd time I
have got there and had to reverse back
to the main Road and then reverse back
to the shop because I could not turn.

Your faithfully
