Dear Mr Banfield,

Re: P/17/003/TWA Application to undertake tree works to 108 mature hedgerow Elm trees at Holy Vale St Marys TR21 0NT

Thank you for your Application for tree works in a Conservation Area dated 16th January 2017.

Following a site visit of the Council's Planning Officer I am writing to confirm that there is **no objection** to the above tree works. Whilst the trees hold significant amenity value it is considered that the proposed works are appropriate. The Council do not intend to protect the trees further through a Tree Preservation Order.

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours Sincerely

Lisa Walton
