E-Mail Address: Provided
Your Address:

Moyles , 4 Porthcressa Road , St Marys ,

Isles Of Scilly

Representation:

I would just like to say that I see no problem with the plans , if you look in and around this area there has been previous works carried out and I can not see how the works will affect anyone , the proposed plans will improve the overall look to the front elevations especially .

I think a young local family should be able to build and expand their home .
