**Subject:** Planning application P/17/039 Roanoake

Dear Members,

We wish to register our support for the above planning application , and at the same time declare an interest...as you are no doubt aware , we are the parents of Georgia May.

During the whole planning process for Roanoake I believe that Georgia and Adam have sought and followed the advice of your planning officer and have complied with all of her recommendations.

In our opinion this is a modest and sensitive development which has been designed to minimise the impact upon their neighbours.

The current configuration of Roanoake has a small family bathroom butting up against an equally small kitchen/dining room. It would make more sense , and be far more practical to move the bathroom upstairs to the bedroom area which will in turn create a much more usable and friendly living area for their growing family.

Georgia and Adam live permanently on St.Mary's and both contribute hugely to Scillonian life.

Roanoake has been the only family home that they have had together and they wish to continue living in Scilly, at Roanoake, but with a little more room for a growing family.

Yours faithfully,  
Terry and Jane Ward.  
Trewince,  
St.Mary's,  
Isles of Scilly.
