To Whom it May Concern,

I would like to oppose the Planning Application for the DAIRY strand str ~~the~~ Mary's on the Grounds that we should be encouraging businesses especially a business like the Dairy

If this trend continues we will be left with no shops just the Co-op and clothes shops, which is not good for the Holiday trade or locals over the last 35 years we have lost over 50% of small shops on the Island.

The Council spends vast amounts of money to promote and encourage Tourism, but if the holiday makers can not get basic needs i.e Milk The Islands will suffer in the long run.

The present owner of the Dairy should be encouraged to sell as going concern or keep it and run it as a successful Dairy which it has been for many many years

Any Alteration to the building to make it higher would be totally out of character with rest of the Block.

And last but not least if the planning permission is granted to the Dairy does that mean that I (Mr. Stephen Griffin) can put in plans to change my Butcher shop on Garrison Lane to Flats, as I have been trying to sell it for the last 8 years as a going concern with no luck and Flats would be much easier to sell.

Yours Sincerely
