Dear Sir/Madam,

Planning Reference P/17/056/FUL

Thank you for your letter of 10<sup>th</sup> October regarding the re-application of the above. The objections in my original letter of 4<sup>th</sup> August still stand as I see very little difference in the height of the structure – although slightly lower, it is still totally out of keeping with any buildings on the Strand and I still find it extremely ugly and out of keeping. Also I feel it an invasion of personal space to have 2 balconies overlooking my premises.

Yours sincerely

Mae Cattermoul
