7<sup>th</sup> September 2017

Dear Mr Wickes,

**P/17/063/TWA:** Removal of one elm tree of circa diameter 410mm at **Five Islands School, Carn Gwaval, Old Town, St Mary's**

Thank you for the above notification for tree works in a Conservation Area dated received on 25<sup>th</sup> July 2017.

I am writing to confirm that there is **no objection** to the above tree works. Whilst the trees may hold a degree of amenity value it is considered that the proposed works are appropriate and acceptable. The Council do not intend to protect any of the trees further through a Tree Preservation Order.

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours Sincerely

Andrew King
