St Marys Isles of Scilly. Planning Ref P/18/021/FuL

29 March 2018

Dear Madam Ref proposed timber garage/workshop

I ,am making an objection on the grounds that there are garages on site that are being used for storage not car garages.

**We do not want more garages,my view from my bungalow has the existing garages blocking the view to off ilands at the moment so we don't want a green pitch roof blocking the kitchen window**

This is resident properties not an Indutrial site and the noise would be terrible

Thanking you

Yours Sincerely

George Batten.
