22nd March 2018

Dear Owner/Occupier

**PLANNING REFERENCE**

P/18/021/FUL

DEVELOPMENT PROPOSED:

Erection of timber garage workshop with green onduline roof and creation of permeable-surface parking space

LOCATION:

Hilbre, Decca Lane, Telegraph, St Mary's.

This letter is to advise you that a planning application has been made for the development mentioned above. If you have any comments please make them to the Planning Department at the address shown above. Comments should be in writing, and received by **12th April 2018**. If your comments are received any later, you should be aware that the application may have already been determined. **Please quote the Planning Reference P/18/021/FUL in your reply.**

Copies of the application, plans and other documents submitted with it are available for inspection at the Planning Department, Town Hall, The Parade, St Mary's, Isles of Scilly, TR21 0LW during normal office hours. Please call the department in advance to ensure an appointment is not required, alternatively, applications can be viewed online at <http://www.scilly.gov.uk/planning-development/planning-applications>.

Anyone who wishes to make representations about the application should do so in writing to the Planning Department, Town Hall, The Parade, St Mary's, Isles of Scilly, TR21 0LW or by e-mail to planning@scilly.gov.uk within a period of 21 days beginning with the date of this notice.

Under the provisions of the Local Government (Access to Information) Act 1985 you should be aware that any comments you make are not confidential and may be read by any person who so wishes.

Yours faithfully,

Lisa Walton

Senior Officer Planning and Development Management

As this is a residential area and one garage is already used as a store for trailers on the island instead of the planning permission granted another workshop with power tool and noise is not acceptable. I strongly protest my peace and quiet is stolen and should be observed for over

...working for a strong, sustainable and dynamic island community
