692760.

This window can be used for emergency fire escape.

New generation features

More daylight: up to 18% larger pane area.

Slim profile: slim profiles and larger pane means more glass and less frame.

Thermo technology: innovative use of high performance insulation material.

More comfort: a more modern and attractive design with excellent ventilation and operation control.

Control bar: new design of the control bar with functionality icons.

Exterior design: improved exterior finish with a softer and more discrete expression.

Click-on covers: fewer screws with the new click-on covers.

Top cover: slimmer top cover.

VELUX GPL - lacquered natural pine finish painted white

- Pine core painted white.
- Excellent value for money and easy to install.
- Made from High quality natural pine.
- Protective triple coat clear lacquer helps to preserve the timber of the window.
- Easy to use top control bar for opening and even ventilation purposes when the window is closed.
- Rotates 180° for easy cleaning

Top hung roof windows

- GPL and GPU top hung windows open to any position up to 45°.
- Opens outwards for an unobstructed view and feeling of extra space.
- Rotates 180° for easy cleaning from the inside.
- These windows are intended for higher roof pitches.

- - 70 laminated glazing

- 6.4mm laminated inner pane offers additional safety.
- Offers improved noise reduction compared to - -34 and - -59 glazing.
- 4mm toughened outer pane with low-E coating.

Properties

- 10 year guarantee on windows and flashings.
- BBA certified.
