Church Road,
St Mary's, 105
TRZIONA

Ref: P/18/090/FUL

Dear Sir/Madam,

As per my previous letter objecting to the building of one residential building in the garden of Men-a-vour in Church Road, I again object but doubly so now that the application is for two semi-detached residential properties.

The infrastructure in the area, particularly with respect to access and the fragile drainage system cannot sustain 2 New properties.

Yours sincerely

Angela Chandler.
