Dear Lisa,

Re: Planning Application P/18/090

I write to support the many of the comments you have received regarding the planning application for the old orchard/garden in the Branksea Close area (P/18/090).

It seems a great pity to build on this 'green' site, with all the accompanying unfortunate implications, while at the same time straining even further our inadequate drainage and other infrastructure - and all for no apparently good reason.

With best wishes,
