Dear Mr Rogers,

## **Section 211 of the Town and Country Planning Act 1990: Notification of Works to Trees in a Conservation Area**

### **REFERENCE**

P/19/009/TWA

### **WORKS PROPOSED:**

Re-pollarding of four elm trees that border the garden and the main road.

### **LOCATION:**

2 Castle Farm House, Old Town Lane, Old Town St Mary's

Thank you for your notification for tree works in a Conservation Area dated 4<sup>th</sup> March 2019s. Following a site visit of the Council's Planning Officer I am writing to confirm that there is **no objection** to the above tree works. Whilst the trees hold good amenity value it is considered that the proposed works are appropriate. The Council do not intend to protect this tree further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely

**Craig Dryden**  
**Senior Manager: Infrastructure and Planning**
