Re: 'The Chalet', 6 Bay view Terrace, St. Mary's, Isles of Scilly. TR21 ONE

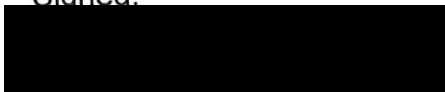

I would like to confirm that I lived at the above address in the following years:

My husband and I lived there from when it was built in 1977 to 1980. It was built and belonged to my husbands parents Elsie and Roger Thompson.

I also lived there from October 2008 until I moved into my newly built house at 7 Bay View Terrace in May 2010.

I can also confirm that my son Luke Rogers Thompson moved in after me in May 2010 and has lived there ever since.

Signed.
