Subject: Object to planning permission - 2 Storey extension at rear of Lynwood Guest House

Dear Sir,

I wish to object to the proposed planning permission for a 2 story extension at the back of LYNWOOD GUESTHOUSE.

Over the years my property (9 Buzza Street, Porthcressa), has lost most of it's natural light due to the developments of Porthcressa Flats and other developments, including the building up at the back of 8 Buzza Street. My only remaining light for my kitchen is from the North in the direction of **LYNWOOD GUESTHOUSE**.

A 2 storey development at the rear of their property would severely diminish the natural light my kitchen enjoys and requires. Also there would be a loss of privacy.

If a planning officer wishes to visit my property and see my concerns from my perspective he or she is fully welcome to do so.

Kind regards,

Mr. William G. Evans - 9 Buzza Street, Porthcressa, St.Marys, Isles of Scilly TR21 OHX
