Thanks for this Mike,

Can you let me know on the EoT until 28/03/2020?

Thanks
Lisa

Hi Lisa

I have added a roadside elevation to the pedestrian entrance drawing – this is attached. I haven't bothered giving it a revision number as the previous drawing hadn't been formally added yet.

The other elevations are unchanged as the elevation section line cuts through the deliveries yard relatively close to the face of the building.

I hope this all makes sense.

Regards

Mike
