Re: Mark Wright, Porthmellon Industrial Estate

Dear Planning Department,

After discussions with Mark Wright regarding his recent planning application for 'The Store', I would like to inform you that I fully support this project and application.

The Industrial Estate road is quite often impassable with parked vehicles, incoming and outgoing traffic from the hauliers and I feel Mark Wright's proposal will benefit every other business which operates out of the industrial estate.

If you would like any further clarification from me, please do not hesitate to contact me.

Yours sincerely
