5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

This proposal is primarily for a new timber building adjacent to the Pubic House (Seven Stones Inn) to serve as a WC, shower room and laundry facility for visiting yachts and customers. The proposal is also to rebuild the retaining wall of the terrace after access required it to be dismantled to build Tinkler's Hill Barn. Reconfiguring the wall slightly to the south also helps with access to the existing water, waste and electric services that ran tightly against the old wall.
