Thank you for your notification for tree works in a Conservation Area dated 12th December 2019. Following an assessment of the trees I am writing to confirm that there is **no objection** to the above tree works. Whilst the trees hold some amenity value it is considered that the proposed works are appropriate. The Council do not intend to protect these trees further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely,

Craig Dryden
