Chief Planning Officer,  
Council of the Isles of Scilly,  
Town Hall,  
St Mary's,

To whom it may concern.

I am writing to object to the above planning application , first and foremost i agree with Ian Sibleys four very valid points, as I live in porthcressa flats but I have 1 or 2 of my own points of view and these are that I feel it will become a bit of a gathering place and play AREA for children which I feel will not be the safest of places and as many people know porthcressa is a social gathering place for young people.I would like to point out I'm not against electric cars and a greener environment but I do feel that not a lot of thought went into this site and maybe a better alternative would be better.

Yours sincerely  
Andrew & Julie Hewlett.
