Dear Barry,

## Re: Post Submission Extension of Time (EOT) Agreement

**PLANNING REFERENCE** P/20/043/FUL  
**DEVELOPMENT PROPOSED:** Conversion of existing ancillary buildings into two holiday cottages.  
**LOCATION:** Carnwethers Country House, Pelistry Lane, Pelistry, St Mary's, Isles Of Scilly TR21 0NX

The Council of the Isles of Scilly has adopted a development management approach to the facilitation of development proposals. In doing so it has accepted that dealing with some planning applications within the statutory timescales is not always possible given the sensitive environmental conditions. Whilst we have endeavoured to get the decision notice issued to you within the agreed extension of time, it has not been possible and I would like to agree an extension to enable the paperwork to be fully checked and sent out to you by Friday 18<sup>th</sup> September 2020.

To assist in the determination of the planning application within a reasonable timescale we would request that you now agree to sign up to a further Extension of Time (EoT) with the Local Planning Authority (LPA), up to 18<sup>th</sup> September 2020. This would allow us to continue keep the application open and issue the decision beyond the original 8-week deadline of **31<sup>st</sup> August 2020** (and the existing EoT agreement that took the determination date up to the 14<sup>th</sup> September 2020). This would be at nil cost to either you or your client but would enable the Council to keep the case open whilst maintaining a dialogue with you.

If the applicant is agreeable to the EoT then I would request that the attached document is signed and returned the LPA at the Council of the Isles of Scilly, at the above address, or preferably by email to [lisa.walton@scilly.gov.uk](mailto:lisa.walton@scilly.gov.uk). By agreeing to an EoT with the LPA you can expect the following:

- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters; and
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue the planning permission within the agreed timescale.

Please contact me should you wish to discuss this further and we look forward to receiving the signed EoT. We would recommend that you keep a copy of this for your records.

Yours Sincerely

This Extension of Time (EoT) agreement is entered into by the applicants and the Local Planning Authority to ensure that the outstanding matters regarding the planning application can be successfully resolved and a decision reached.

In return for signing this EoT we understand that there will be:

- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters; and
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue the planning permission within the agreed timescale.

There is no additional fee required for this service and it does not prejudice the applicant's ability to appeal non-determination should this become appropriate.

Whilst the LPA will endeavour to resolve all planning issues with your case nothing in this PPA shall restrict the Council of the Isles of Scilly properly exercising its role as the Local Planning Authority. Similarly, nothing in this EoT fetters the Council's statutory powers to grant or refuse planning permission.

Target Date for Issuing a Decision unless otherwise agreed: **18<sup>th</sup> September 2020**

**To be filled out following agreement by both parties**
