This Extension of Time is agreed to by the applicants and the Local Planning Authority to ensure that the outstanding matters regarding the planning application can be successfully resolved and a decision reached.

In return for agreeing to an EoT we understand that there will be:

- An opportunity for ongoing dialogue and negotiation on the application;
- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters;
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue a decision notice as soon as possible after the decision made at Full Council.

There is no additional fee required for this service and it does not prejudice the applicant's ability to appeal non-determination should this become appropriate.

Whilst the LPA will endeavour to resolve all planning issues with your case nothing in this EoT shall restrict the Council of the Isles of Scilly properly exercising its role as the Local Planning Authority. Similarly, nothing in this agreement fetters the Council's statutory powers to grant or refuse planning permission.

Target Date for Issuing a Decision unless otherwise agreed: **25<sup>th</sup> September 2020**

**To be filled out following agreement by both parties**
