and water table. These 8 people will be using the very narrow uneven path leading from Church Road.

There is certainly no room for wheelchair access.

Noise will be an intrusion into this quiet residential area. Late night drinking has already caused disturbance from Men-a-Vau after very late at night.

All the residents of Branksea Close, and other neighbouring areas, certainly do not want another holiday let built on the one quiet beautiful green orchard, which has many wild life residing in it.

Please consider these objections.

Yours Sincerely

V. Pender.

Dear Mrs Walton

I cannot believe that there is another application being made to develop a holiday let in green space.

My main objection is noting the plans now have the main entrance for visitors access directly into Branksea Close, outside my front windows at No 4, and also No 8, resulting in lack of privacy. This is council land surely the visitors access should be down the side of Men-a-Vau garden, where there is already a holiday home for 12 people. Another 8 people will add to pressure on sewage
