Good Morning Andy and Dawn,

Further to my earlier email on seasonality and temporary/permanent issue associated with the proposed use, please can you confirm whether you are agreeable to an extension of time, as per the letter emailed on the 22nd December? I've re-attached the letter but it would be good for me to confirm in my report as to whether you have agreed to this extension of time or not.

Thanks
Lisa

Dear Dawn,

I am just writing to advise you of the date of the Full Council meeting, which will be Thursday 21st January 2021. Your application will be taken to this full council for a decision, on the basis that you are related to an elected Member of the Council of the Isles of Scilly.

As this falls outside of the 8 week determination date for your application I am writing to seek an agreement for an extension of time up to 22nd January 2021. Please can you note and sign the attached agreement, if you're happy with this extension of time and return it to me as soon as you are able. If its easier, please can you reply to this email to confirm agreement of an extension up to 22nd January 2021.

I also need to visit the rear garden and I wonder if you would let me know if this is currently possible?

Many thanks
Lisa
