Dear Robert,

Re: Post Submission Extension of Time Agreement (EOT)

PLANNING REFERENCE

P/20/102/HH

DEVELOPMENT PROPOSED:

Removal of existing rear extensions, new rear extension and new rear dormer window.

LOCATION:

Reculver, 4 Lower Strand, Hugh Town, St Mary's, Isles Of Scilly, TR21 0PS

The Council of the Isles of Scilly has adopted a development management approach to the facilitation of development proposals. In doing so it has accepted that dealing with some planning applications within the statutory timescales is not always possible given the sensitive environmental constraints. In this case additional time is required to obtain a further bat emergence survey, on the basis of the probability identified in the initial Preliminary Ecological Appraisal.

We would like to work with you to allow further time to enable the application to be fully considered and a positive recommendation reached. I would therefore like to propose an extension of time up to the **25th June 2021** (to enable additional time for the survey work to be submitted and considered). Should this additional work be completed sooner then I will of course seek to determine this application before this extended date.

Your agreement would enable the application to be kept open beyond the original 8 week deadline of **5th February 2021** (and further extension of time agreed up to 31st May 2021). This would be at nil cost to you/ the applicant, but would enable the Council to keep the case open whilst maintaining a dialogue with you.

If you/the applicant is agreeable to entering in to the EOT then I would request that the attached is signed and returned to me as soon as possible. By entering into an EOT with the LPA you can expect the following:

- An opportunity for ongoing dialogue and negotiation on the planning application;
- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters;
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue the planning permission within the agreed period.

Please contact me should you wish to discuss this further and I would recommend that you keep a copy of this agreement for your records.

Yours Sincerely

Lisa Walton *MRTPI*

This Extension of Time Agreement is entered into by the applicants and the Local Planning Authority to ensure that the outstanding matters regarding the planning application can be successfully resolved and a decision reached.

In return for signing this EOT we understand that there will be:

- An opportunity for ongoing dialogue and negotiation on the planning application;
- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters;
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue the planning permission within the agreed period.

There is no additional fee required for this service and it does not prejudice your/the applicant's ability to appeal non-determination should this become appropriate.

Whilst the LPA will endeavour to resolve all planning issues with your case nothing in this agreement shall restrict the Council of the Isles of Scilly properly exercising its role as the Local Planning Authority. Similarly, nothing in this EOT fetters the Council's statutory powers to grant or refuse planning permission.

Target Date for Issuing a Decision unless otherwise agreed: **25/06/2021**

To be filled out following agreement by both parties
