Hi Tony & Deanne, Lucy Spry is happy for her feedback to be used in support of the council application. Her family used to rent the main part of number 6 from Roger and Elsie in the 80s, see emails below.

thank you

Hi Hannah

No problem at all. I'd be more than happy for you to pass the message on to Luke also happy for you to pass my details on should he wish to contact me directly. If I can help in any way at all I will.

thanks Lucy, that could be helpful. Luke, their grandson, is having to prove to the council it's been 2 separate properties (Elsie & Roger's annex, and the main house rented out) for over a decade - even though they have merrily been taking council tax for 2 properties it seems there are some extra boxes which must be ticked.

If he needs it, would you be happy for me to pass your message on?

thank you

Hi Hannah

I'm very well thanks, I hope you're keeping well too. We stayed with Roger and Elsie every summer all throughout the 1980's. At that time 6 Bay View terrace was all one house and not split up into flats. Roger & Elsie lived in an annexe

built on to the side of the main house and we used to stay in the rest of it on a self catering basis, it wasn't run as a b&b. They also had the chalet at the side of the house that slept 2 which could be rented out too. Happy memories.

I hope this helps. Let me know if you need any more info.

Kind regards
Lucy

Hi Lucy, hope you are well. I was wondering if I could pick your brain about your holidays at 6 Bay View Terrace with Roger and Elsie Thompson. Did you stay in the main house with them and was it like a B&B, or was the house split into 2 flats?

thank you!

Hi Hannah

Yes - it was Roger & Elsie Thompson when I used to stay as a child. We stayed with them over many years and got to know them really well. I have been back a few times as an adult and introduced my husband to the islands. My Mom is also coming with us next year. We are both so excited to by staying on Bay View Terrace again it will no doubt bring back very happy memories of many summer holidays spent there. I'm also looking forward to introducing my daughter to the islands and showing her all of the places I used to go as a child. Its also my mother and father-in-law's first time visiting so lots to look forward to!

Just to let you know I have now transferred the balance to you - would it be possible to confirm receipt?
