5. My recollection: I have lived on Bay View Terrace for 47 years (since 1983) At N°2 from 1983, and N°7 from 2010) I know N°6 very well. Roger Thompson converted the house (N°6) to 2 Flats in 1988, I know this as he used the old kitchen units from our house to do the kitchen upstairs in N°6. It was then let out to holiday-makers from then on Luke Thompson inherited the house in 2012 and continued to let out the flat to visitors and workers. I know Council Tax has been paid on BOTH flats + the chalet for many years, I was one of the executors of Elsie Thompsons will and saw old council tax bills etc. The council must have records to confirm this.

6. I make this statement believing the contents of the statement to be true to the best of my knowledge and belief.
