Thank you for consulting us on this application to refurbish the Grade II Listed Veronica Lodge (NHLE 1141189), Hugh Town, St Mary's. We have consulted the Cornwall & Isles of Scilly Historic Environment Record and the submitted heritage information, and in this instance, we consider it unlikely that significant archaeological remains will be disturbed by groundworks or the refurbishment and minor internal reconfiguration of the building. No archaeological mitigation is required, and therefore no archaeological condition is sought.
